# About Us

---

Tradewinds Manufacturing is proud to be one of a very few Family-owned Companies still in existence today, having been founded in 1948.

Tradewinds Manufacturing is a multi-Disciplinary company offering Bespoke Turnkey Solutions to the Development and Construction Industries, specializing in Medical Facilities but also catering for Commercial Developments and Group Housing Schemes.

Our Competency is reflected in our extensive track record with hundreds of completed projects across South Africa and neighbouring Countries.

Tradewinds success has been achieved through our company's ability to appoint highly qualified technical teams who are supported by a strong administration team. Our Head Office, based in Cape Town, supports our number of Authorized Agents maintaining our National and Sub-Saharan Africa Footprint, offering our full range of products and technical expertise.

We take pride in our strategic alignment with subsidiary and partner companies adding to our comprehensive range of services offering business support services focusing on their core business while awarding Tradewinds the responsibility of Marketing and Installing their products.

*We are committed to a more sustainable future. Our Head Office and Factory run on 100% Solar Energy*
